LIGHT CONTROL

YOU ASK, ALEXA ANSWERS

Control home automation through your voice: lights, roller shutters, security alarm, favourite music and temperature, or ask for any information.

Alexa, what will the weather be like tomorrow?

"Alexa, welcome me home!"

Alexa, how long to go on the timer for the cake?

MyHOME_Up system can be managed with the voice also with the Amazon Alexa and Google Home voice assistants.

Note: setting up a routine is required to perform this action. With the "Welcome me home" routine, it is possible to activate lights, roller shutters and music and set the ideal temperature.
